RE SPECIAL SURVEY OF PORTION OF DISTRICT LOT 301, GROUP 1, NEW WESTMINSTER DISTRICT.

HIS HONOUR the Lieutenant-Governor, by Order in Council dated 22nd October, 1921, under the provisions of the "Special Surveys Act," has been pleased to order as follows:—

That the complete special survey of every block of the isolated piece or parcel of land within the external boundaries of that portion of District Lot 301, Group 1, New Westminster District, bounded on the south by the south boundary of the said district lot, on the west by the west boundary of the said district lot, on the north by the centre line of Fifteenth Avenue, and on the east by the centre line of Prince Edward Street (formerly John Street), directed by the Honourable the Attorney-General on the 28th February, 1920, to be made under the provisions of the "Special Surveys Act" by Mr. W. H. Powell, a British Columbia land surveyor approved by the Surveyor-General, for the purpose of correcting any error or supposed error in respect of any existing survey or plan or of correcting or adjusting any discrepancy between the occupancy of land and any registered subdivision or plans of such land, and of plotting land not before subdivided, and of showing the divisions of land of which the divisions were not shown on any plan of subdivision, and the plans thereof which were duly completed and filed on 6th January, 1921, with the Provincial Secretary, be approved.

And that the said complete special survey and plans are declared to be the true and correct survey and plans of the land thereby affected, and that all the boundaries and lines fixed by such special survey

and plans are the true boundaries and lines, whether of streets, roads, or lanes, and as between adjoining owners and adjoining lots.

And that the said plans are substituted for all former plans and surveys of the land comprised in the said portion of District Lot 301 which had theretofore been registered.

And that any land within the said portion of District Lot 301 which has by such special survey been added to any lot or block shown on the original surveys of the lands affected shall vest in the person owning such lot or block, and that any land which has by said special survey been added to any road, street, or lane shown on the original surveys of the lands affected shall vest in the City of Vancouver.

And that the building erected on Lot 1 (A), Block 73, District Lot 301, and which encroaches six inches on Lot 1 (B) of the said block, shall be removed from said Lot 1 (B) by the owner thereof at the expiration of six months' notice in writing from the owner of the said Lot 1 (B) to the owner of the said Lot 1 (A). And in the event of no notice being given as aforesaid, the said building shall be removed from the said Lot 1 (B) at the expiration of a lease now covering the premises erected on Lot 1 (A), and before the expiration of the said lease, if the building erected on said Lot 1 (A) are reconstructed in any way, the encroachment must immediately be removed.

And that the owner of Lot 8, Block 24, D.L. 301, upon which there is standing an old building and which encroaches one foot on Lot 8 (A), Block 24, D.L. 301, remove the said building upon six months' notice from the owner of said Lot 8 (A).

And that where the special survey shows fences which encroach upon adjoining lots within the special survey, the said fences shall within five years be removed by the owner of the land which has been found by the special survey to encroach on adjoining lots.

And that the dwelling house erected on Lot 30, Block 1, D.L. 301, encroaches approximately two feet on Lot 29, Block 1, D.L. 301. The said dwelling-house is owned by Mrs. Allen, and in the event of Mrs. Allen selling the property the house will have to be moved upon notice in writing from the owner of the land on which the house encroaches.

And that the building erected on Lot 3, Block 72, D.L. 301, which slightly projects on the adjoining lot owned by the Credit Foncier Company, shall not be disturbed, nor shall the possession thereof be interfered with during the lifetime of the building.

And that the encroachment of the building erected on Lot 4, Block 1, D.L. 301, upon the East Half of Lot 3 of the said block shall not give any right of possession, and when the building is renewed or reconstructed the encroachment on the said East Half of Lot 3 must be removed.

And that where the special survey and plan have shown buildings which encroach on adjoining lots, the said buildings must be removed within ten years from the date hereof, except in the cases hereinbefore dealt with; and in the case of fences which similarly are shown to encroach on adjoining lots, the time limit within which such fences are to be removed is fixed within five years from this date.

And that the compensation hereinafter referred to be included in and form part of the costs and expenses of the said special survey and be distributed as hereinafter set out.

And that the total costs and expenses of the said special survey (save and except the costs and expenses of the said Mr. W. H. Powell, B.C.L.S., for services in connection with such special survey, which shall be borne and wholly paid by the said City of Vancouver) be allowed as follows:—
